

"The MSc really helped me to understand how to approach engineering geological problems. It built up my confidence as a young geologist in dealing with other professionals. I believe this is the best course of its type in East and Southeast Asia."

**Abd Rasid Jaapar (MScAG 2006)**  
Managing Director, Geomapping Technology Sdn Bhd President,  
Geological Society of Malaysia

"The MSc programme helped me to establish the foundation for my professional career by developing practical analytical skills, a research-oriented view and a strong understanding of the engineering geology environment in Hong Kong, which I can rely on confidently, on a daily basis."

**Janice CHOI (MScAG 2010)**  
Assistant resident engineer, AECOM

"At HKU I got the chance to learn from world-class professors who have abundant working experience and are willing to share their knowledge. My MSc included an internship in Arup and on graduating I got a job in Hong Kong with Fugro."

**LIN Mohan (MScAG 2018)**  
BSc Geology, Tongji University 2017  
Assistant geologist, Fugro

"The MSc delivered both theoretical and practical knowledge in the field of engineering geology. This knowledge proved to be very valuable in my career in contractor and consultant firms."

**Caim CHAN (MScAG 2015)**  
Engineering geologist, Golders

"This MSc programme not only contains valuable subject matter; but also provides priceless opportunities to infuse the wisdom from the best minds in the field. I attribute much of my vocational achievement to this MSc programme, as it helps me to become a more effective and efficient Engineer"

**Peter CHING (MScAG 2001)**  
Principal Manager Geotechnical,  
Third Runway Division, Airport Authority HK

"The MSc program helped me to be a better geologist. We received the most comprehensive and state-of-the-art training from experts in academic, government and private sectors. It was hard work but I will never regret my efforts!"

**Xavier SHUM (MScAG 2017)**  
Assistant geologist, Fugro

"The MSc developed my technical knowledge and critical thinking skills, which helps me deal with engineering geological problems more effectively in a global environment."

**Olivia LAM (MScAG 2017)**  
International management trainee, Fugro

"I learnt a lot from study cases shared by the experienced professors and by visiting sites and working labs. My HK classmates (most of them are experienced people) also taught me much while working together in class or during fieldtrips."

**Dr Norsyafina Roslan (MScAG 2006)**  
PhD Birmingham  
Lecturer at Geology Programme, Universiti Kebangsaan Malaysia.
